

Join us all summer or your favorite themed weeks!

Discovery camp is open to all BSBA students
PRE K2 through rising 8th grade.

REGISTER ONLINE AT BELLSHOALSACADEMY.COM

Campers will explore a wide variety of activities each day in a safe, fun environment that provides the opportunity to build lifelong friendships and make memories to last long after summer ends. Examples of activities campers may experience include: STEM, arts/crafts, outdoor education, games, team building and more.

Week #1 June 1-4 (no camp on Monday)

Legomania This camp will focus on the campers' building skills. Let the architect and engineer in your camper come out in this camp full of LEGOs®! We will stack, build, create, and let's be honest, knock down LEGOs® this week.

Week #2 June 7-11

Roads & Rails (2-3 years) While our 4 year – 6th graders are steaming ahead in BSC's VBS, our 2 & 3 year old campers will be welcomed aboard to camp.

Prek K 4 - 8th Graders - VBS WEEK – Special Price

Full steam ahead as campers participate in BSC's Vacation Bible School, Rocky Railway, in the morning and then head off to camp as they land in the depot at 12:00 PM. VBS is free from 9 -12 in the AM, cost incurred for the week is for care before and/or after VBS. For more information regarding VBS go to: BellShoals.com/events

Week #3 June 14-18

Kids Kitchen LET'S GET COOKING! Campers will learn new and exciting culinary skills while having fun and trying new foods. They will make appetizers, entrees, and desserts.

Week #4 June 21-25

Game On This week is all about teamwork and being active. All campers will engage in games and challenge that help develop athletic skills, improve confidence, and encourage good sportsmanship.

Week #5 June 28 - July 2

Time Travelers What would it be like to go back in time or forward into the future? Campers will travel in time and explore different cultures, historical times, and people. Mexico, Iceland, Rome.... who knows where our campers will land

Week #6 July 6-9

Silly Science (Pre K 2-4) Science, Technology, Engineering, Arts and Math come alive through hands-on experiments. Campers become inventors as they mix, stir, pour and measure creating some bizarre mixtures.

Mad Science (Completed K-8th Grade) Campers get messy as they make some cool gooey stuff as they experiment with goo, globs, oozes and blobs. This is sure to whip up a week full of zany goos and oohs. Secret laboratory not required! Muah ha ha ha!

Week #7 July 12-16

S'mores and More (Pre K 2-4) Chocolate, marshmallows, and graham crackers...does this remind you of a tasty treat? Campers will "Camp In" during this week including pitching a tent, campfire stories, and of course, eating S'mores.

Survivor (Completed K-8th Grade) Is your camper a "Survivor"? Campers will go on scavenger hunts, survivor challenges, use maps and compasses, and much more during this Survivor Camp.

Week #8 July 19-23

Kids Kitchen LET'S GET COOKING! Campers will learn new and exciting culinary skills while having fun and trying new foods. They will make appetizers, entrees, and desserts.

Week #9 July 26 - 30

Wild Week This is a wild and crazy week for our campers! Water Day, Field Day, with a bouncy house and more.

Week #10 August 2 - 6

Rainbow Splash (Pre K 2-4) Somewhere over the rainbow, way up high" is where our younger students are taking colors this week! A different color will be emphasized each day through foods, nature, animals, and objects.

Artful Antics (Completed K- 8th Grade) Creative Campers will flourish this week as we explore different materials and mediums. Campers will use their skills to create beautiful and exciting art with paints and other supplies.

Week #11 August 9 - 13

Discovering Dinosaurs (Pre K 2-4) The campers will learn the when's, how's, and why's about dinosaurs. They will use their 5 senses for 5 days to learn about these amazing creatures, help build a volcano & watch it erupt, and become a paleontologist as campers search for and make fossils while exploring the world of dinosaurs.

Space is the Place (Completed K-8th Grade) 3-2-1 Blast off! Campers will embark on a new exposition into space each day as they explore the vast world above us from the comets to galaxies.
